

1 group in sponsoring the next minority report if we not break
2 up that presentation by going to lunch, and I am wondering
3 if this is not the most suitable time to recess for lunch
4 and come back at 1:00 or 1:30.

5 THE CHAIRMAN: The Chairman of the Committee
6 on Calendar and Agenda has announced yesterday that
7 normally we would break for lunch at 12:30, but I will ask
8 you to comment now as to the suggestion just made.

9 DELEGATE POWERS: Perhaps that could best be
10 answered, how long will the presentation take? We had
11 assumed on this in view of the circumstances that the pre-
12 sentation, explanation of question and answers could be
13 concluded around 12:30.

14 THE CHAIRMAN: Delegate Gleason, you under-
15 stand that the first item to be taken up would be the
16 presentation of the minority report, not the debate, and
17 we could get that portion of it out of the way.

18 DELEGATE GLEASON: I understand that, Mr. Chair-
19 man, and all I am doing is expressing a desire to have
20 the continuity with respect to the presentation of the
21 minority report and the debate that will follow.
